## COLOURS FOR VINYL

The Q3 2019 COLORx release will include alternative prescriptions for 75 Benjamin Moore® colours that can be safely used on exterior vinyl siding and trim. When entering a colour number from the below *Colours for Vinyl* palette with select Benjamin Moore® product lines, two different prescriptions will be available. The system will prompt you to choose either the general formula (labeled General) or the vinyl select formula (labeled Best Performance for Vinyl Siding).
