A feature wall is a great way to add a pop of colour

FEATURE WALL: Banana Yellow 2022-40

WALLS & CEILING: Paper White OC-55

"Paper White is the perfect neutral shade for walls and ceiling in this kitchen. If customers would like a shot of golden sunshine year round, they might select a feature wall in "Banana Yellow" to give warmth to a neutral room."

Karla Halfyard, Store Manager | Deer Lake, NL

Reasons To Choose Cellular Shades

Save 50% OFF MSRP

MAXMAR WINDOW FASHIONS

Cellular Shades

LIGHT, HEAT & STYLE:
3 Reasons You Need Cellular Shades

- Light / UV Blocking**
Keep harmful UV rays out of your living spaces and control the amount of light in any space with Room-darkening and blackout fabric options.
- Energy Efficiency**
Cellular shades have fabric cells which trap air and provide insulation, keeping cold air out in the winter and warm air out in the summer.
- Stylish, Slim Profile**
Available in many colour & style options, cellular shades don't require a lot of window depth to mount and stack cleanly at the top when raised.

The Final Touch!

protip

"Spreadstone is super easy to use! It's a nice finish that's very easy to keep clean, with just enough shine to give it a nice 'finished' look. We even used it on the counter in our Gander store."

Vicki Harris, Store Manager | Gander, NL
