*While Quantities Last

"September is the perfect month to stain your deck thanks to lower humidity and ideal temperatures. Trendy two tone decks are easy to maintain when a lighter, more transparent stain is used on the floorboards. Dark finishes on horizontal decks are more prone to cracking and peeling, but will last for years on your rails. Talk to a decorator to help you choose the perfect pair."

- Hides nighttime views while allowing full daytime sunlight
- Smooth movement, quiet operation
- Choose fabrics for maximum light control and privacy

"Dual Shades are the perfect combination of a solid material band alternating with a sheer band to give you both privacy and light control. Dual Shades also roll up completely just like a standard Roller Shade."

— Sherrie Mitchelmore, Store Owner | Happy Valley-Goose Bay, NL
